IABSE Denmark

Invitation

Mini-seminar – Recent Major Bridges with Danish Involvement

Thursday 30 May 2013, 15:00 – 19:30
COWI, Parallelvej 2, DK – 2800 Kgs. Lyngby

The seminar will present a number of ongoing major international bridge projects with Danish involvement in design, construction or both. Furthermore, there will be a presentation of recent research within the field of bridge design. The presentations will be in English.
